The AlbusCCT is a small and compact indirect low level LED wall light with an integrated CCT switch. Its sleek and modern design makes it the perfect addition to any space, either indoors or outdoors due to its IP65 rating. The AlbusCCT features three colour temperatures in one unit 3000K/4000K/6500K and is supplied with a black bezel as standard. Other bezel options are available which include matt white or satin nickel bezel. Each fitting comes pre wired with 20cm of cable.
