The OrionPRO LED is a IP20 rated, 24V warm white LED flexible strip light, which is easy to install due to the 3M self-adhesive backing. The OrionPRO LED produces 10W with 384 LED's per metre. The benefit of the COB is it allows for a seamless line of light without where you don't see the dots. You can cut the tape every 4cm's and reconnected as required. Supplied on a 5M reel. Accessories sold separately.
Dimmable
White plastic
Constructed from polymer film
Shipment Carton Qty: 100
