The Shield360 is Saxby's new versatile downlight. This fitting comes with a 3-way Plug and Play connector which allows users to loop in and out. The connector has a simple 4-way CCT switch allowing users to choose between 2700K, 3000K, 4000K or 6000K and a 3-way Watt switch allowing users to choose between 4W, 6W or 8W. Other features include: the option to be covered with insulation, fits into shallow ceiling voids, IP44-rated, and fully fire-rated for 90-minute ceilings. The Shield360 swivels on 1 axis to be able to rotate 360°.

Fully adjustable
Dimmable
360 degree rotation
Matt black
Constructed from die cast aluminium alloy & steel & acrylic
