The EcoLinear 4ft batten is instant on and flicker free, with each unit supplying 2150 lumens of even and bright cool white light and only using 18W whilst offering a 140° beam angle. The EcoLinear also benefits from an easy and quick installation with the use of the supplied suspension clips to aid with installation. Super slim casing with improved thermal management due to its aluminium extrusion. Opal pc & matt white
Constructed from polycarbonate & aluminium alloy
Shipment Carton Qty: 20
