Our SirioDISC CCT range is an ideal choice for all office and corridor lighting. The CCT Switch which allows you to set the desired between 3000K/4000K/6000K at the flick of a switch. The SirioDISC has an ultra slim 20mm profile meaning it can fit into the slimmest of voids. The edge lit technology and high power SMD LEDs offer an even, superior light output, with no dark spots and reduced glare. Quick and easy to install into shallow ceilings with a simple jack plug which connects the SirioDISC and driver, plus a tool-less push fit terminal block. Matt white & frosted acrylic
Constructed from die cast aluminium alloy & acrylic
